Violation Details

On 1/8/2011, motorist was arrested in Albany County for an impaired driving offense. At the time of arrest, she had a .09 BAC.

Since her BAC was less than .15, she was charged with "1192.2-DWI .08-.17%" and appeared in Bethlehem Town Court for arraignment on 1/15/2011, where the court referred her for a screening.

Screening Details

On 2/17/2011, a screening was conducted on the motorist by an OASAS approved clinical screening and assessment provider using the Audit Alcohol Screening Test. Based on the results of the screening, an assessment was recommended.

Assessment Details

On 2/18/2011, the motorist began her assessment with the same provider who conducted the screening. The provider reviewed the clients drivers abstract (page 2 of this document) and arrest report (page 3 of this document) on 2/25/2011. Collateral interviews were also conducted and a toxicology test (drug screen) was ordered and returned with a positive result. On 3/1/2011, the assessment was completed and the provider recommended treatment.

Treatment Details

On 3/19/2011, the motorist was admitted to treatment with the same provider that conducted the screening and assessment. She participated in 23 treatment sessions and on 8/20/2011 was discharged with a status of "Completed".

Impaired Driver Program

At the time of conviction, the motorist was mandated by the court to participate in the Drinking Driver Program (IDP, formerly DDP). The motorist enrolled at the local DMV office and started the program on 8/27/2011. On 9/13/2011, she relocated and requested to transfer to another DDP. Neither of the DPP's the motorist was enrolled in referred her for an assessment and she completed the DDP classes on 10/8/2011.
